ABOUT US

FortKnox Company is a Saudi contracting and industrial services company based in Jubail, Kingdom of Saudi Arabia. We provide integrated solutions across contracting, industrial maintenance, manpower, equipment rental and sourcing, materials trading, transportation and logistics - giving clients access to multiple project requirements through one dependable business relationship.

Our approach is straightforward: understand what the project requires, identify the right resources, coordinate them efficiently and remain accountable throughout delivery. From construction sites and industrial facilities to maintenance activities and shutdown projects, FortKnox is structured to respond to the changing requirements of Saudi Arabia's industrial, infrastructure and commercial sectors.

We combine technical capability, responsive service and an extensive partner and supplier network to help clients keep projects moving safely, efficiently and on schedule.

OUR VISION

To become a trusted and respected contracting and industrial services company in the Kingdom of Saudi Arabia, recognized for dependable execution, responsive service and integrated project solutions.

OUR MISSION

To support our clients with reliable contracting, skilled manpower, equipment, materials and logistics solutions while maintaining high standards of safety, quality, professionalism and commercial integrity. We aim to build lasting partnerships by understanding each client's operational requirements and delivering practical solutions that contribute to successful project execution.
